

**narda**  
microwave-east

### RF & Microwave Components

- Attenuators, Couplers, Terminations
- Power Dividers, Combiners, Hybrids
- Switches—PIN & Electromechanical
- Adapters, Detectors, Oscillators
- Integrated Microwave Assemblies

**narda**  
Safety Test Solutions

### EMF Safety Solutions

- RF Survey Systems
- ELF Survey Systems
- Frequency Selective Safety Analyser
- Personal Monitors
- Area Monitors
- Field Calculation Software

**Electron Devices**

### Microwave Vacuum Devices

- Microwave tubes, amplifiers & other devices
- TWT, Magnetrons, Klystrons
- Thyratrons, IOTs, Power Supplies
- Microwave Power Modules (MPM)
- Constant Efficiency Amplifiers (CEA)

**narda**  
microwave-west

### RF & Microwave Coaxial Components

- Hi Rel / Space Qualified components & subsystems
- Filters, Duplexers, Multiplexers, Combiners
- Cellular transmit and receive filters
- Amplifiers, Isolators, Circulators

**Electron Devices**  
California Tube Labs

### High Power Vacuum Tubes

- C.W Magnetrons 896, 915, 928, 2450 MHz 10KW - 125KW
- Pulsed Magnetrons 2-18GHz
- Klystron Amplifier Rebuilds
- Medical, Industrial, Radar, Research

**Electron Technologies Inc**

### Microwave Vacuum Devices

- Space Qualified TWT & TWTA's
- Linearized TWTA's (LTWTA)
- Electronic Power Conditioners (EPC)
- High Power MMW Helix TWT's
- Military & Telecom TWT's

**EMPOWER**  
RF SYSTEMS, INC.

### RF & Microwave Amplifiers

- Solid State Power Amplifiers
- Jammers, Military, Communication, EMC, Instrumentation, Broadband
- Wireless, mobile / cellular - single and multi-carrier, ultra linear amplifiers

**Microsemi**

### RF & Microwave Semiconductors

- Varactor Diodes, Schottky Diodes
- PIN Diodes, Limiter Diodes
- Noise Diodes, Step Recovery Diodes
- Passive attenuators, Capacitors, Inductors
- Attenuator, Limiter & Switch Modules
- Bipolar, LDMOS, VDMOS Transistors

**MtronPTI**

### Frequency Control & Filter Products

- Crystals, Clock Oscillators
- Oscillators - OCXO, TCXO, VCXO
- Champion, Piezo Technology Products
- Crystal, Ceramic, LC and SAW

**LINKRA**  
Networks

### Active RF & Microwave Devices

- MCM's, Hybrids, Amplifiers, LNA's
- Custom Design & Build to Print
- Downconverters
- Microwave Transceivers

**PISM**  
MICROWAVE

### RF-Conditioning Solutions

- Filters, Duplexers, Multiplexers, Combiners, System Solutions
- Cellular transmit & receive filters
- Integrated RF Front- Ends

**ITF**  
Integrated Technology Future

### SAW Products

- Filters - IF, RF <70MHz to >1000MHz
- Delay Lines, Resonators
- Handset, Narrow Band

**Panasonic**  
Panasonic ... the new name for NAIS

### RF & Microwave Relay Switches

- Surface Mount & Coaxial 26.5GHz

**Telstra**

### RF EM Field Calculation Software

**MITEQ**

### Satellite Communication Products

- Frequency Converters
- Frequency Translator Systems
- Redundant Switchover Units
- Equaliser Products
- Uplink Power Control Units
- INMARSAT Products
- SatCom Custom Products

**MCL**  
A MITEQ COMPANY

### Satellite Communication HPAs

- C, X, Ku, DBS, Ka TWT Amplifiers
- Rack / Antenna Mount, Phase Combined / Redundant, Multi-band
- Linearised, Switch over, Controllers

**KMIC**  
Technology, Inc.

### Microwave Amplifier Products

- Power, Low Noise, Driver Amplifiers
- Multiplier, Limiting Amplifiers
- Converters, Transceivers

**MESL**  
microwave

### RF & Microwave Components Sub-systems & Assemblies

- Custom & Waveguide Assemblies
- Microwave Integrated Circuits
- SAW Pulse Compression
- Isolators, Circulators, Rotary Switches
- Phase Shifters, Switches

**TIGER MICROWAVE**

### RF & Microwave Components

- Power Dividers, Couplers, Hybrids
- Filters, Diplexers, Multiplexers

**Yantel**

### RF & Microwave Attenuators

- Temp. Comp. SMT Chip Attenuators

**SEEKON MICROWAVE**

### Microwave Active Components

- LNAs, PAs, Frequency Sources
- Synthesizers, Control Circuits

**EC**  
Microwave Technology

### RF & Microwave Ferrite Devices

- Isolators, Circulators, Switches

**linkmicrotek**

### Engineering Division RF & Microwave Components, Subsystems and Assemblies

- Design and manufacture
- Custom Systems and Assemblies
- Military, Satcom, Test Systems
- Waveguide and Coaxial Components
- Rotary Joints, OMTs, Filters
- Adapters, Terminations, Attenuators
- Couplers, Hybrids, Tees, TEM Cells
- Horn Antennas, Broadband Antenna

**AZDEC**

### Link Microtek Azdec Div. Infra-red Wireless Digital Communications Systems

- Secure, short range, mobile voice communications
- Commercial and Military Applications

**LYNX** the European name in RF components

### European Supply of RF & Microwave Components

- Link Microtek, Globes & Eleox
- Power Dividers, Couplers, Hybrids
- Adapters, Attenuators, Terminations

**EMISENS**

### Systems for Electromagnetic identification and sensing

- EMILI 2 Security Check Point Liquid Explosive Detection System
- Dual Mode, Handheld analysers

**HBH**  
Microwave GmbH

### Active Microwave Devices

- Amplifiers, Oscillators, MMICs
- Synthesizers, Control Components
- Custom RF Design up to 77GHz

**amesys**

### RF & Microwave Systems

- Defence Electronics
- Communication Interception Systems
- Radar Jamming and Simulation
- Wideband Microwave Receivers

**UBE**

### Dielectric Ceramic Filters

- Cellular - BTS & Handset, GPS, WLL, WLAN, Dielectric Resonators
- FWA filters to 22GHz, Data Band, Satellite Radio
